## FOR IMMEDIATE RELEASE

### Caltrans closing one lane of Topanga Canyon Boulevard (State Route 27) for dirt removal

WOODLAND HILLS – The California Department of Transportation (Caltrans) announced plans today to close one lane on a portion of Topanga Canyon Boulevard (State Route 27) Thursday morning and afternoon to remove and dispose of stockpiled dirt.

From 9 a.m. to 2 p.m. Thursday, Sept. 28, there will be two-way, one lane traffic control from Cezanne Avenue to the Woodland Park Mobile Estates, near Wood Lane.

One lane will remain open at all times, and northbound and southbound traffic will intermittently be allowed to pass.

The dirt is located off to the side of SR-27 on Caltrans right of way, and was left over from other area projects.

Drivers are encouraged to plan ahead and can always receive the latest information on lane closures and traffic incidents using the Caltrans QuickMap online at [quickmap.dot.ca.gov](http://quickmap.dot.ca.gov), or downloading the QuickMap app. The app is free and available on iPhone and Android devices.

For the safety of workers and travelers, Caltrans reminds drivers to **“Be Work Zone Alert”** and **“Slow for the Cone Zone.”**
